

WE HAVE CHOSEN TO DO OUR PART TO BUILD A BETTER FUTURE FOR EVERYONE

For our business we use 100% certified clean electric energy, produced by renewable sources avoiding the emission of CO2 into the atmosphere and without consuming natural resources.

Energy is not the same from source to source, we have chosen to do the right thing for our planet and the future of next generations.

V.T.E. - VILLAGGIO TURISTICO EUROPA

IN 2021 AVOIDED 291,4723 TONS OF CO2

Thanks to a 100% clean energy supply from Dolomiti Energia

MONTH	kWh	AVOIDED CO2 (T)

April	15074	4,2358
May	54080	15,1965
June	161028	45,2489
July	245453	68,9723
August	307770	86,4834
September	137398	38,6088
October	17666	4,9641
November	17851	5,0161
December	21433	6,0227
		291,4723

**CLEAN ENERGY TO CHANGE THE WORLD,
THANKS TO THE STRENGTH OF NATURE**

The 100% Clean Energy Dolomiti Energia brand ensures that the electricity of Dolomiti Energia is certified by the Energy Services Manager with Guarantees of Origin (GO), which traces and certifies its Italian and renewable origin.
